

## REMARKS

Claims 2, 7-9 and 13 have been amended herewith. No new matter has been added.  
Claims 2-9, 13 and 15 are pending and under consideration.

The claim amendments are fully supported by the originally filed specification and claims, for example, see the original claims 2 and 9, and page 15, line 16 through page 16, line 8 of the specification. The phrase "timing offset" is replaced with the phrase "relative timing" which covers not only an offset between the first and the second order pumps, but also a modulation frequency, a duty cycle, etc. of either of the pumps.

If any further fees, other than and except for the issue fee, are necessary with respect to this paper, the U.S.P.T.O. is requested to obtain the same from deposit account number 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
